

Name : Saumya Chaturvedi  
Designation : Assistant Professor (Ad hoc)  
Email id : saumya.chats@gmail.com  
Website/ Blog :  
Qualifications : B.A.Sc.(H) Food Technology,  
M.Tech.(Dairy Technology),  
ICAR NET  
Research Areas : Ultrafiltration and Microfiltration  
membrane technology for production of  
whey protein concentrates.

Publications :

Published a research paper on “Studies on microfiltration as a method of de-lipidization of whey for production of whey protein concentrate”  
Journal of food science and technology  
2001, vol. 38, n2, pp. 161-164 (24 ref.)  
ISSN 0022 1155
